Service and other

- Installation service** for one-time € 79.00 ³
Personal on-site installation of the router provided by AirIT.
- Invoice dispatch by mail** for € 2.95 per month
Transmission of the monthly invoice data by mail.

¹ These rates include an asymmetric internet connection with internet flat rate and a SIP telephone connection (one call channel with two phone numbers) incl. Germany flat rate (national, special numbers excluded). The notice period is 3 months to the day at the end of the term. Without notice, the contract is tacitly extended and can then be terminated at any time with one month's notice to the day.

² The hardware is provided on a rental basis and must be returned to AirIT after termination of the contract. If no pre-configured router from AirIT is desired, but an own router is to be set up and used independently, AirIT cannot guarantee a successful connection. Not every model is suitable for this connection.

³ The installation service can only be booked if the router is also purchased from AirIT. It includes the installation of the components provided by AirIT, including journey. A functioning house wiring is required.

⁴ Telephone number portability is only possible within the same local network. If you move to a different area code, it is unfortunately not possible to transfer numbers.

⁵ With the standard connection you can take over up to two phone numbers, with a telephony upgrade up to 10 phone numbers.

The availability and bandwidth of the products depends on the location and must be checked. All price quotations are inclusive of the applicable value-added tax. The General Terms and Conditions of AirIT Services GmbH apply (<https://privatkunden.airit.de/agb>).
